

Copes Corners Park Committee Meeting March 6, 2018

Present: Keith Lilley, Scot Lueck, Lynne Ohl, Scott Wilson

Meeting opened by Scot Lueck at 7:20 PM

- Scot discussed the status of the new pavilion. The Town is in the process of resolving construction issues but a certificate of occupancy has been issued.
- Planning for Spring Fest 2018 was the primary discussion. Lists were made and jobs were delegated to make sure systems are in place for a successful event.
- The committee discussed asking the Board for approval to work on a couple of specific goals for the 2018 season:
 - Keith recommended that the Friends of the Park work on organizing three more summer park events. One suggestion made was for a Cruise-In.
 - A second goal would be to develop a playground area. Ideas for playground equipment were discussed. The tractor and wagon playground equipment Ed Wilson has been working on should be ready by spring.

Meeting Adjourned at 8:20 PM

Next meeting will be on March 20th at 7:00 PM.

Recommendation to Town Board: Approval for the committee to work on more summer events at the park and development of a playground area.
