

CCPC Meeting Minutes

17 April, 2018

Attendance: Scot Lueck, Michele Farwell, Scott Wilson

This meeting was entirely free discussion on upcoming Spring Fest preparations with some discussion on the park season in general

The status of Spring Fest events was summarized one by one: fishing derby; firefighting competition; ice cream social; zoomobile; boat float; music; zumba; country heat; marketing - flyers - social media; yoga; vendors; food vendors

Michele has suggested a possible thank-you table in the Morris tent to thank those who have contributed to the event

Funding beyond the County grant was discussed and it was agreed to request 'no more than \$250' from the Town in up-front costs for an advertising banner and flyers - that cost should be more than recovered in vendor and camping fees

Recommendation to the Town Board: ...that the \$500 County grant be divided equally among musicians who have agreed to perform at Spring Fest
