The youth program staff are **prohibited** by law from passing out sunscreen and other medications. In addition, children are **not** allowed to share these items. Children should bring their own sunscreen and water along with other appropriate items needed. Therefore, I strongly encourage you to send your child to program every day with these items as the risk of sunburn/poisoning and dehydration will be high when spending time outside.

\_\_\_\_\_ has my permission to attend the Town of Butternuts Youth Program.
