

Highway report for 3/16/20

**Vehicles:**

- Chevy pickup and Dodge inspected
- Rebuilt shoulder door for grader that's used when spreading grader shim.
- Wings and plows off 3 trucks, main harness still on in case of emergency

**Work accomplished:**

- Plowed and sanded roads as needed
- Maintenance on trucks as needed
- Filled pot holes on oil and stone roads (first round)
- Hauled gravel to various roads for shimming over potholes
- Replaced 7 road signs, need another Flat Iron Rd sign as that disappeared 3 weeks ago
- Placed numerous rough road signs as some roads broke up severely from the many freeze thaw cycles we had this year.

**Discussion:**

- Digital Radio Proposal
- Working Agreement
- Sand bid
- Crushed gravel bid
- Lawn mowing bid
